In the event of non-payment, Collection Costs, including attorney's fees, will also be added. The Marina is authorized to haul and store any boat with a delinquent account at the owner's expense and rent said slip. A Mechanic's Lien is imposed by law on watercraft to secure incurred debts for storage and/or repair. Such encumbered watercraft may be offered for public sale to satisfy this indebtedness.

- This Agreement is not transferable to any other person and pertains only to the named boat, trailer, dinghy, item or vehicle (hereafter referred to as the "Vessel"). The "Marina" shall mean the facilities and boat yards operated by Seacoast Enterprises Associates, Incorporated. The word "Tenant" is used to indicate the owner (or his or her authorized representative) of any Vessel moored, stored, or parked at the Marina. No subletting allowed. The "Landlord" shall mean the corporation or person(s) that owns the facility operated by Seacoast Enterprises Associates, Inc.
- The Marinas are a No Discharge Zone. No discharge or discarding of materials of any sort (other than clean, oil-free water) is permitted into the waters of the Marina, Three Mile Harbor or East Hampton. Any Vessel with a toilet shall have a holding tank and shall have the valve in the locked position and direct all effluent toward the holding tank. Marina violators of the No discharge zone may be evicted or prosecuted. The Tenant shall be responsible for pumping out their holding tanks and shall maintain their bilges in clean condition. In the event of a discharge or spill caused by the Tenant, the Tenant shall be liable for and shall indemnify the Marina and the Landlord for any cleanup costs, and for any fines or penalties, and the Marina may assess an additional fine of up to two thousand dollars (\$2,000.00).
- The Tenant shall have his or her Vessel insured for complete marine coverage, including liability, and shall provide a copy of such policy and expiration date to the Marina upon request. The Tenant shall be liable for damage caused to other Vessels in the Marina and for damage caused to the structures or facilities of the Marina, and the Tenant hereby indemnifies the Marina and the Landlord against all such damage.
- The Vessel will only be entered by the Marina for inspection, service, or emergency. Tenants in the Marina shall provide the Marina with the location and/or a set of main door, hatch keys or combination and with the ignition keys.
- The Tenant shall provide the Marina with written permission for any other person's use of their Vessel.
- It is understood and agreed that should the subject Vessel be offered for sale during the period of this contract, the Marina will have a listing, and if the Tenant so desires, will make said listing available to other brokers with the understanding that if the Vessel is sold, the Marina will participate in the brokerage fee to the extent that is customary in the trade and this brokerage fee shall be due and payable on delivery of the Vessel.
- The Tenant shall notify the Marina of all work to be done on the Tenant's Vessel and shall provide the Marina with the names of their preferred contractors prior to commencing any work on the Vessel. All Contractors shall contract and bill all work, including insurance claim work, warranty work, extended warranty work, and any other materials and labor through the Marina. For all space rentals, the Tenant has unlimited access to the space and will supply their own property for dockage, such as fenders and dock lines.
- While the Marina, as a gratuitous service, intends to check lines, covers, etc., and will otherwise endeavor to safeguard the subject Vessel and its equipment from the elements and other dangers, it is specifically understood, and it is conceded by the Tenant, that the Marina shall not be responsible or liable for any damages or losses to or of the Vessel, its gear, or any equipment whatsoever. The Marina further reserves the right to request the Tenant to move the subject Vessel from the assigned space or mooring to a safer area during an emergency, as determined by the Marina. If, at such time, the subject Vessel is unattended, or if the Tenant cannot be reached, the Tenant hereby authorizes the Marina to take whatever steps it may deem necessary to protect subject Vessel, property, and general welfare, and the Tenant hereby agrees to indemnify and hold the Marina and the Landlord harmless from any liability, loss or damage caused by or to the subject Vessel which may arise out of or be occasioned by the failure of the Tenant to move the Vessel, the inability of the Marina to reach the Tenant, the movement of the Vessel by the Tenant or the Marina, or the Vessel remaining in the assigned space during this period. Work done to safeguard the Tenant's Vessel during such emergencies shall be billed at the Marina's published rates.
